All funeral directors are legally required to publish a standardised price list for products and services. This is to help you think through your options and make choices, and to let you compare prices between different funeral directors. Our list is detailed below, however as each funeral is unique and we offer a completely bespoke service, it may be more convenient for you to speak with us personally. If this manner of communication is preferable, please do not hesitate to contact us for support, help and confidential advice. We are available 24 hours per day, 365 days per year on 0191 5160202.

Where a solicitor is accepting responsibility for the invoice in its entirety, the need for a deposit can be waived on receipt of written confirmation. Non-payment of the deposit will mean all arrangements are cancelled and termination fees may apply. The funeral invoice will normally be sent 7-10 days after the funeral and is due within 30 days of the invoice date unless otherwise agreed by us in writing. If required, funeral finance can be arranged before the funeral takes place.

### *Interest*

If the invoice remains unpaid beyond the due date, we reserve the right to charge interest on the overdue amount at the rate of 1.75% for every calendar month or part thereof afterwards. We reserve the right to recover legal and debt collection fees should you breach these terms of payment.
